## EDUCATION

### Certificate of Master in Advanced Learning and Teaching Technologies

(Sept. 2015 – present)

University of Geneva

This Master focuses on the use of new technologies in the field of education. It focuses on analyzing and designing computerized learning environments and on managing multimedia pedagogical and e-learning projects.

### Master in Analysis and Intervention in educational systems

(Feb. 2016 – present)

University of Geneva

This Master focuses on research and intervention in education systems especially designed for academic research, inspection/assessment, evaluation, or the design of education programs. During that master I went to Berkeley university where I took classes in Computer Sciences, Data Analysis, and Entrepreneurship.

### Bachelor in Communication

(Sept. 2009 – June 2012)

University of Lugano

### High School

(2005– 2009)

Lycée-Collège des Creusets (Valais/Wallis)

## AWARDS

### TCS

I received a money prize for my performances at TCS in 2016.

### Master

During my Master, I was selected to do an exchange at UC Berkeley in USA. The university of Geneva only sends six people to UC California. Only candidates with an average above 5 and that scored more than 80 points on the TOEFL can apply to UC California. Only two people went to UC Berkeley which is the best ranked public university in the world and 28<sup>th</sup> worldwide (2017). For comparison, the three best universities in Switzerland are ETH, EPFL and Zurich University were ranked 8, 14 and 80.

### Bachelor

During my Bachelor, I was also selected to do an exchange with the LMU university (Germany) and Jyväskylä university (Finland).
